

WIDE RANGE OF APPLICATIONS

Clean under and over the carpet:

With a single touch switch, the Floor Carpet Brush not only delivers a spic and span wooden or granite floor but also keeps your tiles and carpets clean.

Clean every corner with a Nozzle:

The Crevice Nozzle of the vacuum cleaner cleans dust from difficult to reach corners such as window channels, sofa gaps and so on.

Brush away the embedded dust:

The Upholstery Brush cleans the deep embedded dust from upholstery items like sofa, bed-sheets, curtains and pillows.

Blow away the dirt:

From gas stoves to grills, the Blower Function of the vacuum cleaner operates to clean the dirt from the most difficult of spaces.

Wash the dirt with a Spray:

The Spray Jar sprays water on plants and also washes away the dirt on your windows, making it all the more clean.

Mop away the spill:

The Wet Squeeze not only mops and cleans the wet spillage on the floor but is also equipped to getting it dried for you.

One gram of dust in your child's pillow could contain up to 19,000 dangerous Dust Mites*. Exposing you and your loved ones for 6-8 hours in such conditions could cause dust mites to attack your child's respiratory system and skin. It can cause cold, cough, sore throat, allergies, rashes and even asthma. To ensure good health of your family 365 days a year, bring home Eureka Forbes, the leader in vacuum cleaners.
